Plan your next special event on the gundalow *Piscataqua*.

The Gundalow Company is pleased to offer private charters aboard the gundalow *Piscataqua*, which departs from our dock at Prescott Park in Portsmouth, New Hampshire. Departure from other docks may be arranged.

"It was a beautiful evening and we were taking friends for their 15th anniversary... awesome thing to do with a group."

Reunions • Corporate Outings
Any Special Event!*

Memorable events onboard the *Piscataqua*

The *Piscataqua* is an ideal vessel for special events.

Ample seating and a flat deck make for a smooth sail that allows guests to enjoy their trip in comfort. Groups interested in providing food or beverages on their cruise will find plenty of room for trays and coolers. The boat can also accommodate musicians and their instruments. Local musician and caterer information is available upon request.

We can help you plan your special sail with good food, music and friends.

See the sights while learning history and ecology.

A typical cruise takes you past points of interest such as the Portsmouth Naval Shipyard and prison, bridges, lighthouses, and forts in Maine and New Hampshire. Our regular public day sails include an education program, and we are happy to provide a program featuring the natural and cultural history of the region if you are interested. The Captain and Crew members are highly informed and are glad to share information on an informal basis as well. Guests may also help to hoist the sail and steer the vessel – or simply enjoy the sights and sounds of the river.

Reserve your private charter now!

We look forward to designing a trip that meets your needs and interests. If you have any questions or would like to reserve your charter sail now, please contact us at: 603.433.9505 or info@gundalow.org

"A great sail on the Piscataqua River and Portsmouth Harbor, without the fuss of engine noise – you can really hear and enjoy the surroundings. Sailed on a private charter at sunset that was catered – what a great way to share with friends. Public sails, school trips – they do it all. A must-do if you are visiting (or live here)!"

The mission of the nonprofit Gundalow Company is to protect the Piscataqua region's maritime heritage and environment through education and action. Proceeds from public sails and private charters directly support our education programs for school groups.

The gundalow *Piscataqua* is a traditional reproduction of "gundalows" that were utilized from the seventeenth through the twentieth century to transport goods between the shallow waters of inland towns and the deep water port of Portsmouth.

Vessel: 65' LOA, 2.5 ft draft

Capacity: 49 passengers maximum

Crew: USCG licensed captain, 2 crew members
