

Gundalow Company Backyard Scavenger Hunt

Usually, we try to do scavenger hunts quickly, but for this one, try to slow down and use your observational skills! Remember your 5 senses to help with your observations.

- ☐ Find a prey organism
- ☐ Find a perfectly round rock
- ☐ Find and name a predator: _____
- ☐ Find an organism that is pink
- ☐ Find and name a creature that sings _____

Closely examine a green plant: describe what you see”

- ☐ Find and name a creature that can camouflage _____
- ☐ Find an organism that is blue

Record something beautiful you saw:
