

Piscatauqa Region Mapping Activity

Using the Map on the following page, follow the directions below. You can use other maps, books, or other resources to help you.

1. Using a colored pencil lightly shade in Maine in 1 color and New Hampshire in another color.
2. Do you live on this map? If you do put a star where you live. If you don't live on this map, put a star at the closest point on this map to where you live.
3. Using a blue colored pencil, lightly color in the water including the Gulf of Maine and the rivers. Trace the names of the Rivers with the blue pencil.
4. Imagine a drop of rain landed right on the star on your map, draw a line showing how this rain drop might flow through the watershed into the ocean.
5. Using a pen or dark pencil, trace the town names
6. For 100's of year, gundalows carried cargo and connected towns. Draw the routes that gundalows may have taken between these towns:

DOVER—PORTSMOUTH

EXETER—PORTSMOUTH

DURHAM—NEWMARKET

KITTERY—SOUTH BERWICK
